Continuing Education credits available through the NBCC and NAADAC.

Level I - II • 36 CE credits

### **Basic Therapeutic Breathwork Training**

Jim Morningstar with Steve Moe and TBTP training staff

The purpose of this residential training is to teach breathwork skills to those in the healing professions. Breathwork is a science and healing art which uses conscious breathing practices to explore, release and integrate mental, emotional and physical energies and assist clients to:

- Resolve chronic holding patterns in mind, body and spirit
- Release emotional material stored within the muscles and tissue
- Unravel relationship patterns that interfere with a sense of personal well-being
- Experience a felt sense of self love in their bodies.

Participants will learn to:

- Identify ineffective breathing patterns
- Teach healthy breathing skills to individuals and groups
- Use breathwork to address issues of trauma recovery, depression, anxiety and addictions
- Integrate breathwork into their standard clinical practice
- Utilize water as a medium for breathwork and facilitated movement
- Monitor and release personal issues that interfere with clarity as a practitioner.

Dates: August 13-17, 2017

Time: 10 am(8/13)-noon(8/17)

Place: Cedar Valley, West Bend, WI

Tuition: \$1345.00

Level II - III • 36 CE credits

### **Advanced Therapeutic Breathwork Training**

Jim Morningstar with Steve Moe and TBTP training staff

The purpose of this advanced practicum is to give direct and intensive supervision to professional breathworkers in a supportive healing setting. This is an opportunity to reach a new level of mindfulness in one's work as a healer. The limited size of the group allows for more immediate feedback from the trainers.

Participants will learn to:

- Apply principles of breathwork and advanced energy reading and healing techniques with a variety of clients
- Integrate and expand present clinical skills into supervised breathwork sessions
- Practice dry, wet and group breathwork and group leadership
- Heal and clear self while giving highest service to clients
- Become a more confident and competent breathworker.

This practicum is for those who have already done breathwork sessions with others and who are ready to dramatically enhance their professional skills. There is an application and selection process with limited enrollment. A certificate of completion is awarded as well as an appropriate level of Breathworker Certification.
